G.O.A.T. *Greatest Of All Times*

"A good beginning makes a good end" says an english proverb. Invictus 19-20 kick started by the torch lighting ceremony and a short torch relay. First time in the history of the school, a dramatic start was staged. As fire is considered as a divine element, a torch was lit and progressed by a team of players of the school to the school ground. The students lined up in the corridor to welcome the torch. The vibrant team captains followed the torch to the ground with their flags. The Physical Director whistled on embarking the start of team events. Good sportsmanship builds teamwork, character and teaches discipline, honour, respect, perseverance and many. The team events such as Throw ball, Volley ball, Kho-Kho, tennikoit and shuttle cork for under 12, under 14 and under 19 went throughout the month. The score board stands as of now as below.

S.No.	Team	Points
1.	Emerald	250
2.	Topaz	155
3.	Carbuncle	195
4.	Sapphire	185

INCEPTION OF MOBILE APPS

The World has gone digital. The usage of mobile apps has climbed up ladder in the past few years. To cope up with advancement in the field few mobile apps have been introduced. As the school walk into new era of learning, KARADI PATH - innovative way of learning english, Voicesnap - to know the happenings of the school, Life School - to nurture the life skills came up with mobile apps. Parents are educated about the apps and are succoured in installing the apps. This has enabled the parents to track the learning path of their children. Writewiz a special program to enhance and improve handwriting came with a special device to correct the writing errors.

ENVIRONMENT DAY

The importance of the Environment is the hot topic of the world. We can't breathe without air but we can change the quality of the air we breathe. Students are taught 'Taking care of environment is taking care of oneself'. Our tiny tots planted small herbs and learnt about the importance of planting and nurturing plants. This day is celebrated to reinforce the theme of World Environment Day 2019 - Air pollution among the children.

HERITAGE AND CULTURE

"A Nation's culture resides in the hearts and in the soul of its people" - Mahatma Gandhi.

It's a day designated for our children to come in traditional attire from their home, state or specific culture of their choice. The Kindergarten students are given a firsthand experience in the traditional games and dances like Silambattam, Oyilattam, Kummipadal. This kindled their interest in knowing more about them. It was a great success and it definitely strengthened the bonds among the students and created respect for ethnic and racial diversity in India.

HERBS AND SPICES DAY

"Herbs and spices make food tastier while boosting your health". In our tradition Food itself is medicine. Proper intake of food flavored with healthy herbs and spices regulates a healthy life. To practice a healthy food habit, importance of various herbs and spices are narrated by the students in various ways. The children came up with the creative craft works and informative messages regarding the medicinal properties of many herbs and spices. The students of 1st standard collected the pictures of herbs and spices. The students of 3rd and 4th standard prepared charts depicting the medicinal uses of herbs and spices like chili, ginger, garlic, cloves, Mahanadi leaves, mustard seeds etc., The students of 5th standard prepared some food and medicines using herbs and spices.

DAY OUT TO MARKET

"Experiential learning is defined as the process whereby knowledge is created through the transformation of experience. Knowledge results from the combination of grasping and transforming experience" says Kolb's Theory. To acquire a real world experience I and II students visited Mattuthavani Market. They visited each shop enquired the prices of the vegetables interacting well with the vendors. They get acquainted with the people by which they gained the observing skill, inquiring skill and purchasing skill. After adding a little to their family groceries, they also visited Decathlon - all for sport/sport for all shop. Students cherished every moment by playing and knowing different types of sports and its needs.

RENDEZVOUS AT ST COURIER

Courier is a company which delivers a message or parcel from one place/person to another place/person. ST Courier - The people's Choice welcomed our VI std students with open hands and embraced with the knowledge of communication that meets requirements of domestic market and people sensitive needs. The managing Director and the staffs are so kind-hearted and gave a vivid picture of the travel of the consignments right from moment they enter the service and reach the destination. Their hospitality was remarkable that every student was encouraged with a gift.

WHAT NEXT ???

What next was a program to kindle the quest for the future of their children and Parents. It was a continuous effort of the school for the past three years. Rtn. Nicholas Francis, an inspirational speaker and Mr. Kanagasabapathy, a life-skill trainer were the special invitees to the program. The principal introduced the Team GUHAN and stated the part of the school in Children future and the importance of lending a hand of experts and the responsibility of the parents to allow the students to pursue their passion. Mr. Kanagasabathy illustrated the nature of the changing world and how to adapt to it with the life skills taught in our school. Rtn. Nicholas Francis elucidated the needs of the institutions and educated the parents about their role in their kid's career, course and college selection. School, Parents and Experts must go hand on hand in shaping the future of the children.

EMOJI DAY

Emojis are ideograms and smileys used in electronic messages and web pages. It is new japanese-mobile-culture-born icon-like symbols representing weather, facial expressions, common objects, hand symbols and many more. Students came out with different emojis in charts and learnt the new emerging communication tool. With charming faces every emoji met another emoji and it was a wonderful get together of emojis. In our nursery and primary branch it took yet another form of celebrating the emojis with glee.

MOVIE CLUB

Movie can be used as a power tool for education. Movies initiate the visual learners to engage themselves in learning subjects differently. It is used as an alternate tool for education which draws the learning concept in student mind's eye. 'Marie kom' is a biographical sports film which depicts the story of Indian Female Boxer Mary Kom. It states how the daughter of a poor rice farmer overcame the objections of her father and the demands of male-dominated society. Students have the story of Mary Kom as a lesson. The Movie was screened for the students of IX, X, XI and XII standard. The central idea of the lesson is reinforced by visualising the life history of the sport woman. The main objective of the movie club is to create a quest for students to see and appreciate a movie.

STORY TELLING CLUB

Story telling has its own place in our tradition. Values are the nerve center of our culture. Virtues are built by telling stories to younger generations. It is one of the oldest forms of art till existing with same fame. To develop the art of Story telling the students are provided a platform. This enhances the creativity and imagination power of children. As an initiative, a story telling club is formed. The curtain raised with the ancient stories retold by our teachers. Students are also encouraged to tell stories.

KAMARAJAR BIRTHDAY CELEBRATION

Karma Veerar Kamarajar's Birthday was celebrated with zeal and joy. Former Cheif Minister Kamaraj was an icon for dedicated, selfless honest leader. The celebration started with a assembly talk explaining the deeds of the leader that uplifted our state in various fields. The students are provided an opportunity to portriat the achievements of great leaders by writing Essays. At Khanpalayam Branch, few competitions such as drawing is conducted on Educational day Celebrations. A torch light is thrown on our priceless leader's life so that our students could practice good virtues right from childhood.
