## ELECTION !!! RESULTS !!!

The election is a decision-making process to select people to hold positions. It is indeed experiential learning of democratic method of electing a person. To educate such process in young age, our school conducts an election every year. The students of class 11th and class 9th are given a chance to take part in the 2019 SPL and ASPL election. Students are given forms for the nomination, time for campaigning and finally a day to vote. 14 students nominated for the posts. Pupils of class 6th to 12th sanguinely cast their votes for their favourite nominees and enthused with the polling ink on their little index finger. After counting votes, R. Kushi of Class 11 and V. Tejashree of class 9 is elected as School Pupil Leader and Assistant School Pupil Leader respectively.

## TRIBUTE TO OUR FORMER CORRESPONDENT!!!

Our former Correspondent Mrs. Jebakkani vijayarajan attained the heavenly abode on 28 June, 2018. Though much water has flown under the bridge in her absence, her presence lingers in everyone's heart and in places her foot went by. Tiny tots of

kindergarten paid homage by lighting candles. Mr. Luke Martin and Mrs. Jansi Rani shared their experiences with the former correspondent which depicted her individuality, care and concern for all around her. Mrs. Manoja rendered a eulogy to our former correspondent. B. Komal of class XI restated a poem on her.

வருடம் ஒருமுறை வந்துபோகும் நினைவு நாள் எதற்கு?  
மலர் தூவி புகழ் பாடவா?  
இல்லை உன் படம் வைத்து ஒளிஏற்றவா?  
உன் நினைவுகளை நினைத்துபார்க்கவா?  
நீ இல்லை என்பதை நினைவுகூறவா?  
வாசிக்க கற்றுக் கொடுத்தாய்  
வரலாற்றையும் வாழ்க்கையையும்..  
நேசிக்க கற்றுக்கொடுத்தாய்  
மரங்களையும் மனிதர்களையும்..  
பூஜிக்க கற்றுக்கொடுத்தாய்  
இன்பத்திலும் துன்பத்திலும் இறைவனை..  
மதிக்க கற்றுக்கொடுத்தாய்  
உணர்வுகளையும் உறவுகளையும்..  
காலம் மாறினாலும்..  
நாட்கள் ஓடினாலும்..  
மாற்றங்கள் வந்தாலும்..  
முன்னேற்றங்கள் கண்டாலும்..  
விட்டுச் சென்ற தடத்தில் நாங்கள் பின்பற்றுவோம்..  
நீங்கள் கற்றுக் கொடுத்தபடி..  
இதுவே உங்கள் நினைவு நாளுக்கு  
நாங்கள் செய்யும் தர்மமடி..

## Happenings!!!

### SHAPES PAGEANT

**Move on from circles, squares and triangles and find ourselves a new and exciting way of learning shape.**

The enjoyment of math in its many forms provides the first step creating a positive attitude to math that can help counter math anxiety and a lack of confidence in math. Primary kids dressed themselves on 26th June as shapes and had a stumble walk with teetering legs and present an incredible 2- dimensional and 3- dimensional shape parade showing that children love to learn when learning is child-centered, and that can nurture an intrinsic joy to mastering math.

### KIDS ARTISTRY

To enrich the creativity among the children nursery sector went on woolen handcraft day where they made different woolen key chains. Doing little things in a great way is what the happiness is all about, that was evident in their work.

### Reconnoiter:

### A JAUNT TO THIRUVATHAVUR

**Learning is a continuous process; it does not end within four walls.**

To develop visual literacy and for real-world experience students of class 7,8 was taken to Thirumarainathar Temple at Thiruvathavur and birthplace of great Tamil Saivite poet Manickavasagar. This helped students to appreciate the ancient architectural design of the temple and understand the life of 9th-century Tamil poet.

### ACQUAINTING AN INDUSTRY

Industrial visit is a part of the Education, during which students visit companies and get an insight into the internal working environment of the company. Around 100 students of class 4 and 5 visited Parle-G biscuits –Patwari Bakers Private Ltd on 18th of June. It gave students an insight experience of Biscuit Baking - from ingredients to a complete finished product including packing and distribution. After the exciting exploration, students relished themselves at Thenperankundram Park.

### INTERNATIONAL YOGA DAY 21ST JUNE

**“Yoga signifies the art of nature within the body & incites the divinity in oneself.”**

Yoga unites body, mind and breath. Around 65 students of different classes carried out special asanas such as Utkatasana, halasana that could improve memory, concentration and power. Indeed, a successful effort and the importance of Yoga is experienced by the students with great gusto. The theme of this year is “Yoga for Heart”.

### WORLD ENVIRONMENT DAY JUNE 5

World Environment Day is celebrated on the 5th of June every year and is the United Nation's principal vehicle for encouraging awareness and action for the protection of our environment. To ensure it Camlin conducted a Handwriting competition for the students of classes 4, 5, 6. The students wrote a page about the theme of the year 2019 “Air Pollution”.

## FLAME FEST:

Students of Classes XI and XII participated in "Flame Fest" an Intra School Competition organized by Fathima Michael College of Engineering. It provided a platform to the budding students to showcase their talents and sharpen their skills and put forward their perspective with confidence and conviction.

*Setting up Light for the Show!!!*

## LIFE SCHOOL

It is the valued added program paving a path to the holistic development of the students. Stepping to the successful second year, Life school provided by Entercon has come up with different set of activities to ensure a positive way of leading a happy life. Following steps have been laid in June month. Students were engaged in activities for

1. Impact of concentration and listening in one's action
2. Taking Responsibility of one's action without blaming others
3. Time and People Management
4. Respecting Diversity to build a Tolerant Society
5. Self Confidence
6. Sense of Appreciating Others
7. New ways of thinking and Problem solving

## INFAC T E

Adding more color to our innovative way of learning to speak english following activities are done this month to uplift the student's confidence and enthusiasm. Pre-bell activities performed are as follows:

- Mask activity
- Listen and Repeat using headphones
- Picture perception
- Treasure Hunt
- Drop box activity

Apart from the above, we have also added events such as tidbit sentences, error and correction, new presentation, birthday messages and much more. Many exciting activities are lined up for this academic year which would be carried out in the coming days.

## *Mastering the Minds:*

### EXPEDITION TO AUROLAB:

Aurolab -The manufacturing divisions of Aravind Eye Hospital supplies high-quality ophthalmic consumables at affordable prices to developing countries. Guhan's fraternity got a chance to connect with the epitome of Madurai- DR.G.Natchiyar, Vice-chairman and Director of Madurai Aravind Eyecare unit who shared about the glimpse of the answer to the mystery of leadership and the vision of Dr.V. The pioneer's thought "Intelligence and capability are not enough. There must be the joy of doing something beautiful" reflected everywhere and anywhere. Perhaps, visiting the aurolab provoked our minds and we are delightful to listen to the words of Dr. Natchiyar how Dr.V's Vision& Mission came true with years and years. One man's true vision is evident as the real "Pride of Madurai". Next to aurolab stands the multi acres of Aurofarm with a serene ambiance of fruit-bearing trees, small lily pond, chirping of the birds, and the greenery around. Technology can never beat nature and that everyone should live in harmony with it.

## PARTAKE IN PROGRAMS

Mr.Aravind Ganapathy participated in two day capacity building programme on drug abuse prevention for teachers and counselors which was organized by Madurai Institute of Social Sciences, sponsored by National Institute of Social Defense (Ministry of Social Justice and Empowerment Government of India, New Delhi).
